

Notice and Tentative Schedule

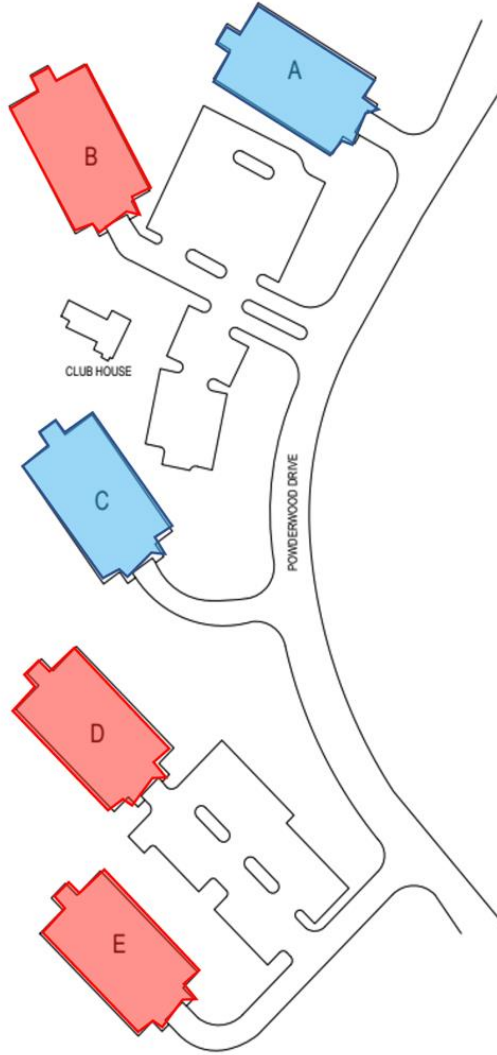

Crestview Residents, Board, and Management -

Please note to be careful driving/walking through the community as equipment and workers will be actively moving throughout the community and parking lots. If you have questions while we are working, please speak with one of our onsite supervisors or superintendents. You can also reach out to us at Info@clearcututah.com or 801-394-3242.

Important Information for Homeowners

- Building E's Windows and doors will begin to be replaced today and will finish the second week of August. The site superintendent has been contacting homeowners directly to schedule their specific units. Please watch for that communication if you are an owner in building e.
- Building D's roof will begin the first week of August.
- Buildings D's window & door replacement will begin the second-third week of August.
- Please create space around windows and doors when your units' windows & doors are scheduled to be replaced with the superintendent (Buildings E & D).
- Decks will be one of the last few items completed on a building following the completion of wall cladding.
- Mini Splits (1st and 2nd floor) and 3rd-level AC interest have been documented, and we are currently prioritizing the owners in Building E, after we have worked through building e, we will then prioritize meeting with owners in the subsequent buildings following the construction schedule.
- Due to weather and existing conditions we are about two and a half weeks behind the original schedule. Thanks for your patience and cooperation. Please see the revised tentative schedule below.

Community Map
